Dear Will:

The American Alliance of Cancer Pain Initiatives is pleased to join the American Pain Foundation and other organizations and individuals in supporting HR 1020, the National Pain Care Policy Act of 2005. Please feel free to communicate the AACPI's support of HR 1020 to members of Congress and other interested parties.

The AACPI endorses HR 1020 because we feel it will focus national attention on the epidemic of uncontrolled pain in our society and provide critical resources to address the barriers that prevent the effective treatment of pain.

Sincerely,
